| 9 | Review 17-18 Revenue Budgets The latest Revenue Budget had been circulated ahead of the meeting. SR asked if anyone had any questions about the budget. TC asked why the budget for Supply Staff had increased. DW explained it included the cost of Mr Boxer and cover for teaching staff attending courses & illness and also cover for DW non-teaching duties. TC asked about the increased income for Catering. DW advised that an additional £5000 had been generated based on increased numbers of children having free school meals. | | |
| 10 | Impact of Superannuation increases on the budget Due to the short notice given to schools on the increases in superannuation payments, it had been agreed that if this resulted in generating a budget deficit, then an application could be made to FIPS for financial assistance to cover some of the costs. DW had spoken to the DCC Financial Accountant (Warren Smart) and when David Dominey reviewed the latest budget the latest forecast resulted in a deficit of £1321. It was agreed that DW should apply to FIPS for a refund. | DW | ASAP |

| 13 | Pupil Premium – Review 16-17 and forward planning DW had circulated a copy of the evaluation report for 2016-17 in advance of the meeting. SR asked if the purchase of Abacus Wordsmith had proved beneficial, if it had had a positive impact on the children and if it was good value for money. DW said it had been beneficial as using a good quality product made it easier for good quality teaching staff to make better use of their time. The evidence of a positive impact was that KS2 writing was above the National average. DW explained that with the small numbers in pupil premium, it was essential to ensure the expenditure was used to support those pupils to progress above ARE. TC asked what specific areas were targeted. DW explained that where reading had been an issue, the pupils were invited to attend an inference group. TC proposed that | | |
