SR asked DW if the School Leadership Team are benchmarked against similar sized school. SR & DW agreed that as the current team size is very small and it will confidently benchmark against other schools.	SR	April 21
6	TCLP 2021 Charges DW reported that a charge had not been received from the TCLP, however, a provision of £1300 is in the budget.		
7	Babcock Services – Approve order DW had reviewed the Babcock Directory of Services and requested the following be purchased at a cost of £7746 (Vat inclusive). <ul style="list-style-type: none"> English Primary Maths Leadership briefings 3 x 1/2day EYFS briefing internally and 3 x 1/2 days Full Library Service to change all the school library books and have the service of a librarian Governance Consultancy School Improvement Consultancy (includes adviser for Headteacher Performance Management and School Improvement Visit) Finance Consultancy Core + 5 Days of David Dominey that will involve further Finance training for Caroline Fargher All governors agreed the services are essential and approved the spend. 8	Review 2020-21 & 3-Year Revenue Budgets The Revenue and Capital budget forecasts as at the end of February had been circulated ahead of the meeting. 	teacher observations, the first opportunity to benchmark will be at the end of term. DW plans to review the impact early in the Summer term.		
11	<p>Review Pupil Numbers & Implications</p> <p>DW reported that going forward the pupil numbers will be approximately 114. The number for reception in September is now on PAN, with 15 having a place with one more expected. The biggest issue is the year3/4 group of 38 children and what staffing needs to be in place, subject to budget considerations. SR asked DW what staffing she proposed. DW requested the retention of the 2 teachers for the class. JS asked how valuable the employment of a second teacher in the class this year has been. DW said it had been invaluable. JS asked what the difference is between employing a high-level teaching assistant rather than a qualified teacher. DW advised it was the pressure on the teaching staff that is the issue as they have to mark 38 English and 38 Maths books to mark in the evening along with planning the next day's lessons. DW added that to mark 38 English books properly take her 2 to 2 ½ hours. Governors agreed this level of work is not sustainable.</p> <p>It was agreed that the future staffing needed to be dependent on the budgets which will be discussed at FGB.</p>		
12	<p>Review Pupil Premium & PE Pupil Premium</p> <p>The latest versions of both reports had been circulated ahead of the meeting.</p> <p>CH asked if any swimming lessons would take place in the Summer term, subject to government advice. DW advised that when leisure centres are reopened there would potentially be restrictions in place, and these would be impractical if bathers have to arrive 'beach ready' so it is not expected that any swimming lessons will take place this school year.</p>		
13	<p>Breakfast & After-School Clubs Budget / Update</p> <p>The budget report had been circulated ahead of the meeting. SR advised that the staff are still needed and paid although the club is not receiving the income as forecast as reduced numbers are in school. The surplus from last year has allowed the clubs to continue.</p> <p>SR asked if there had been any feedback from parents on requirements in the future. DW said she had not received any feedback from parents. The numbers have been consistent as they were in lockdown with 9 children attending the Breakfast Club. The numbers for after school varied between 6 and 2 with numbers tailing off during the week, hence the Friday club being cancelled during lockdown as not economically viable.</p>		
14	<p>Staffing & Absence</p> <p>- Review Current Staffing Structure & Staffing needs for next financial year</p> <p>DW reported that Mrs Hague had retired at the end of February. JS asked what the situation was with Mrs Batten. DW advised Mrs Batten was still in a phased return to work.</p>
