ISSUE 895 16th June 2023

Dear parents and carers

Welcome to the end of another sunny week!

We have had a much quieter week - I feel this may well be to allow us to prepare for some busy times ahead!

Although the children have been here all week, we have had some statutory assessments to complete - the Year 1s had their phonics screening with Mrs Hillier. All of the children were very conscientious and tried their absolute best. Every child fulfilled their potential and should feel very proud of themselves! Our year 4 pupils have accessed the times tables check which was very speedy - our 99 Club practice really benefits these assessments. We have also had an external moderator looking at the writing of our year 6 pupils which was a rigorous process of looking through all of the evidence that we gathered. This marks the end of our statutory assessments and your teachers will enjoy celebrating the individual successes with you through end of year reports.

Next week, we look forward to Y5/6 cricket at THS, a swimming gala at the leisure centre, a visit from an amazing science teacher and a hockey match against Rackenford! I also understand that our All Stars cricketers have a presentation next Friday evening at Heathcoat CC which I am looking forward to attending!

Please remember hats, sun cream and drinks bottles again next week so that we can safely enjoy the sun ☀️

Have a lovely weekend!

Mrs Sarah Milne,
Headteacher

On Thursday Year 3 and 4 came together with Miss Crang to have a go at creating their own short films using stop motion animation techniques.
