

The Bolham Bullet

ISSUE 900 21st July 2023

Welcome to the last Bolham Bullet of this academic year.

Thank you to everyone who has helped us during this final busy week of term. The Year 5/6 production of Macbeth was wonderful, and so atmospheric being performed outside.

At this time of year, our attention and focus naturally concentrates on our amazing Year 6s who have been celebrated during their Leaver's Assembly this morning. They are an incredible group of young people who all have exciting futures ahead of them. They will always be particularly special to me as my first Year 6s as a Headteacher - they have helped teach me the 'Bolham Way' and for that, I will always be grateful.

AUTISM AND US PROGRAMME

The Autism and Us programme offers support for families of children and young people who have an autism diagnosis, are waiting for one, and those not seeking a diagnosis but would welcome support.

It is designed for parent/carers of primary and secondary school children in Devon. It gives families an opportunity to develop their understanding of autism and looks at practical solutions to managing and supporting children and young people's needs. It also offers the opportunities for parents and carers to connect with other families.

A parent who has attended the course said: "I'm feeling less alone. I've already implemented small tips and it's made such a difference. All I've ever wanted is to have a happy child, and this has already helped me achieve that even just in a few days since the course."

Information on the programme and how to book is here: [Autism and Us autumn 2023 dates - Education and Families \(devon.gov.uk\)](https://www.devon.gov.uk/education-and-families/autism-and-us)
