[Solihull Approach Parenting Group](#)

Tiverton Children's Centre is running a parenting group for mums, dads and carers with at least one child under 5. This group is designed to help parents develop a way of relating to their child that promotes child development and understanding your child in order to improve your relationship with them. There will be an informal get together prior to the course starting, for parents and course leaders to meet. Details will be given when names for the course have been decided. Topics include communication, sleeping, tantrums, play and behavioural difficulties. This is a ten week course with limited numbers so booking is essential.
