There will be portable toilets available in the Piazza.

Changing

Please ensure children arrive already changed and ready to go.

First Aid

Will be available at the start/finish area, if required.

T-shirts

Please ask the children to wear their Challenge t-shirts as it will enable them to be easily identified by the staff handing out the medals at the end. There will be no race numbers as the event is being run as a closed event (*ie: Only open to those children taking part in the Challenge*). There will be over 300 children running.

Running with the children

Parents/Guardians/Run Leaders/Teachers are welcome to run along with the children for no charge. However, please note that only the children will be awarded medals at the finish line.

Safety

The route will be fully marshalled with a Lead Bike and Backmarker Bike. There will also be a safety boat in the water alongside the Run route.

Medals

All of the children taking part in the Challenge who complete the Fun Run will receive their CCT Children's Challenge medal at the finish line.

Registration

There is no need to register as the children are all pre-entered. If you gather at the Meeting Point, the runners will be called forward to the start line at the appropriate time.

Route

The route will be just over one mile to ensure that the younger children taking part can complete the run easily. (For the purposes of the Challenge, runners will be credited with 2 miles).
