TREE PLANTING

For the tree planting session next week, please can pupils collect tree seeds such as conkers/acorns/hazels/sweet-chestnuts etc - Ideally at least 2 seeds per child, but if anyone has a tree in their garden/farm and could collect more that would be brilliant. The more that we collect, the more trees we can plant and the greater the positive impact for the environment.

FUNDRAISING FOR KENYA TRIP

I have been fortunate to be awarded the opportunity to go to Kenya in 2021 to help teach and work with children. I would appreciate your support with fundraising for this adventure. One of my fundraising ideas will not only contribute to this cause but is an environmentally sound recycling opportunity. Please support me by recycling old inkjet cartridges (full or empty) and mobile phones (with accessories if you have them.)

A box will be located in the school office where these items can be placed, which will be collected and recycled by myself every fortnight. Equally, if you prefer they can be sent to recyclers directly via the website: <http://kenya-fundraiser.ink2cash.co.uk> where the money made by the recycled objects will go into a fund for the trip which I can access in order to put that money towards Kenya.

This is a life-changing opportunity for both the African communities and myself, so all donations are greatly appreciated.

I will also be running a stall selling sweet treats such as brownies and rocky roads from 50p at the Christmas Fayre on the 6th December, and any donations you can give then I will also be extremely grateful for.
