ISSUE 766 7th February 2020

Dear Parents and Carers,

Yesterday, our Year 6 girls football team took part in a series of games held at Tiverton High School. The team played extremely well and finished runners up to Wilcombe Primary School who were the overall winners. The girls were excellent ambassadors for the school and I would like to say 'well done' to Cara, Darcey, Lilly, Evie, Levinia, Lyla and Emily.

As you are aware, the school were delighted to receive the School Games Mark back in September and as part of our ongoing commitment to raise the profile of sport in the school. As part of our work this year we are trying to encourage the children to participate in a wider range of activities and today all the children have had the opportunity to work with Mr Lee Thomas from New Dawn Martial Arts. Mr Thomas, a former Bolham Primary School pupil himself, showed the children some of the basic moves and techniques used within martial arts. We will be sending a leaflet home this evening with more information about the nearest classes and who to contact if you would like to learn more.

Finally, our Youth Speaks Team are off to Barnstaple tomorrow with Mrs Hillier to compete in the next stage of the Rotary Club Youth Speaks competition. I know you will all wish to join me in wishing the team the very best of luck.

'Together we aspire, together we achieve'

Denise Woodgate
Headteacher

LEARNING LEAVES

Class 1

Aria Valentine-Marsh - For her fantastic 'give it a go' attitude in Maths and using maths equipment to help her check her answers.

Klayton Smith - For his positive attitude to learning and challenging himself.

Class 2

Ralfe Withers - Reading a chapter of his reading book every day.

Poppy Alexander - Excellent maths talk this week and making links between multiplication, division and fractions.

Class 3

Tyler Johns - For working really hard to improve his handwriting and presentation. Keep it up!

Freya Cumes - For her superb work in maths, which was beautifully presented. Also, for her fantastic range of sentences.

Class 4

Luke Cole - For superb math achievement last week.

Jodie Reed - For proving a good team member in Jaguar.

GREEN TEAM

The Green Team have decided to tackle recycling at lunchtime as our first project. From Monday there will be a recycling area in the lunch hall and everyone will be encouraged to recycle their packed lunch rubbish and school lunch rubbish (fruit waste, yoghurt pots etc).

There will be a rota of green team members on hand to help.

We aim to start small and build!

JAGUAR CHALLENGE

On Wednesday the Jaguar teams went to visit Fraser Anti-Static Techniques in Bampton. The children were quite taken aback to learn of the amount of computer programs that Fraser's use on their site. Bruce Clothier (CEO) took the children on a guided tour of the offices and factory and explained the processes of working together to achieve. Alec (Design Engineer) explained the forces of gravity, drag and air resistance.

The children pushed their finger in a mixture of cornflour and water to see how much resistance they felt. Coen said that it was fun and enjoyed his learning in that environment. Jodie thought the visit was fun as well and enjoyed Alec demonstrating static electricity. Our next visit will be to Petroc to test cars and choose the team's driver.
