

## **BOLHAM PRIMARY SCHOOL**

20<sup>th</sup> March 2020

Dear Parents and Carers

Thank you for responding so promptly to my request this morning with regards to key worker childcare needs next week. We now know the approximate number of pupils we will be having each day and allocated staff accordingly. Mr Botham will be working in the morning with our KS2 pupils and Mrs Hillier will be with our KS1/EYFS children. In the afternoon the children will be taking part in a round robin set of activities led by Miss Cotter.

You will be able to leave your child in the playground from 8:30 each morning where there will be a member of staff on duty. Please can I ask that you collect your child from the doors at the back of the building at 3:30pm.

Pupils are not required to wear school uniform next week, but please can you send them with their water bottle as normal. School lunches will be available every day and can be ordered in the normal way. Please note that the normal published menu is not operating and we will try to provide a menu as soon as possible from our suppliers.

We appreciate that the situation is changing daily and we will try as a school to respond to the needs of our families as and when we are able or have up to date information.

Thank you for all your help with this matter.
