Health and Safety

The children will be kept within their class 'bubbles' in the school hall and supervised by Miss Hannah Waterman and Mrs Julie Withers. Staff and pupils will follow all school health and safety rules regarding hand washing and cleaning routines and follow the school Child Protection and Managing Acceptable Behaviour policies.

Collection

Please come to the side door of the school hall and ring the bell. A playworker will then bring your child out to you. When you leave our site, please continue to use the one-way entrance and exit system we have in place.

Contacting us

If your child is in after school club and you have been delayed or there is an emergency you will need to contact Bolham Bees staff on 07525 784980.

Snacks

Healthy snacks and drinks will be available during the session and are included in the price.

Contracts

You will be asked to read and sign a Bolham Bees Parent contract once you have booked your place and we will send this home with your child.
