ISSUE 791 16th October 2020

Dear Parents and Carers,

Thank you to everyone who contributed to this year's Harvest collection. Class 3 led our online harvest service this morning and we will post some photographs on our website within the week. We were aiming to put up a class video but unfortunately due to our shocking bandwidth this has not been possible! I know that many families this year in Tiverton will be very grateful for your generous donations.

After half term we would normally be inviting you to Parent's Evening, but as you will appreciate due to the current restrictions we are unable to offer this service. However, we will be sending out an Autumn Mid- Term Report which will provide you with up to date information about your child's well- being, behaviour, whether they are on track to achieve age related expectations at the end of the year and learning targets. Reports will be sent out on Thursday 5th November by email and parents will have the opportunity to have a telephone conversation with their child's class teacher if required.

Finally, this week I would like to share some of Year 2's writing about ladybirds. A couple of weeks ago they found a number of ladybirds in the school grounds and have suddenly become experts on the subject. If you would like to see more of their writing, go to this week's website blog. Their next writing theme is 'All About Dragons' and I am just hoping they don't find any of those in our school grounds!
