

Bolham Primary School Remote Learning Timetable- Spring Term 2021

Children will need to log into Microsoft Teams at their allotted time each day in order to meet their teacher. Their teacher will introduce the learning for the day and share any powerpoints or video which accompany the initial input and answer any questions the children may have. Children will then have time to work independently through the day to complete set tasks and to upload any assignments or work for marking via Teams. Children can message their teacher for support during the day and this will be answered by 4.15 pm each day. A class timetable will also be made available should children and families wish to follow the school day timetable.

	9.00-9.30	9.30-9.45	9.45-10.15		10.30-11.00		11.15-11.45	11.45-12.15		1.00-3.30
