Dear Parents and Carers,

We have received a request from the Hartnoll Hotel for parents to **use the overflow car park**. Please **do not** park outside the main entrance. The Hartnoll Hotel very graciously allow us to use their car park at the start and end of the day we do not want to abuse this privilege or indeed lose it!

There was also an incident outside of school on Thursday morning where a child was nearly knocked over. Once again, please **do not** pull up outside of the school and park in the coach bay. It is our collective responsibility to keep all of our children safe.

For sale or donation to FOBS

Following the installation of our new smartboards, we have two smartboard projectors, both with working bulbs, for sale. If you would like either of these projectors, please contact the school office to discuss further.

BACK TO NETBALL GROUP STARTING IN TIVERTON

After the successful introduction of the first junior Netball club in Tiverton (over 80 girls, ages ranging from 7 to 15 joining from every school in the area), we are starting an England Netball supported Back to Netball programme for the ladies of Tiverton. It is a pay and play session, giving flexibility and an opportunity to ease back in to sport and Netball. I wanted to let the families of the local schools know in case any might be interested in taking part, it is running directly after the junior session for an hour in the Sports hall so we wouldn't have to worry about the weather.

Starts next week! Sign up here!

Any women 18+ can join from across the community. Any ability or experience welcome.
