

## BOLHAM PRIMARY SCHOOL

Dear Parents and Carers,

Following the announcement regarding the postponement of the lifting of coronavirus restrictions we have had to review our provisional diary dates for our school events.

### Sport's Day

In order not to disappoint the children, we will be holding a whole school sport's day on Friday 9<sup>th</sup> July. The children will be sat with their class and not their house teams as is our normal practice and will be spaced out around the field. This will allow the children to compete whilst still maintaining our health and safety guidance, but will give them the opportunity to see other children race and to engage in the first whole school event for over twelve months. We are sorry that we are **unable to invite our families to this event**, but we will aim to take lots of photographs and post them on our website.

In the event that Sports' Day is postponed due to bad weather we will set a reserve date for Tuesday 20<sup>th</sup> July. Please note that we have been unable to set this as our first date because if restrictions are not lifted, or if the weather is poor, we do not have the capacity in the diary to set an alternative date in the last week of term.

### Stay and Play

We will be cancelling our 'stay and play' days on the 7<sup>th</sup> and 14<sup>th</sup> July as we are unable to safely accommodate new pupils and their parents indoors with our existing 'bubble' structure. We will however be offering a Teams Meeting on 14<sup>th</sup> July at 4.15 pm where new Class 1 parents will be able to meet Mrs Worthington, class teacher, and Miss Cotter, teaching assistant, and to ask any questions regarding uniforms, structure of the day, mealtimes, etc.

We will be offering a new 'stay and play' date on Tuesday 7<sup>th</sup> September for our EYFS pupils. Please note that this is a **non-pupil day** for the rest of the school.

### Transition Days

We will be offering our pupils the opportunity to meet their new teacher and teaching assistants on Thursday 22<sup>nd</sup> July in the morning if the current restrictions are lifted.

Tiverton High School will be communicating their Y6 transition arrangements to parents.

### Leaver's Events

All of our Leaver's events in the week beginning 19<sup>th</sup> July will be provisional until further information regarding current restrictions are provided by the government.

Thank you to everyone for all of their support and understanding during what has been an extremely challenging year. Our aim as a school is to remain open for all of our children for the remainder of this term and to provide a safe environment in which to work and learn together.
