ISSUE 827 24th September 2021

Dear Parents and Carers,

Class 4, Mr Vickery and Mrs Beach set off early on Wednesday morning this week in order to visit the Bovington Tank Museum in Dorset. This is the first school trip we have had since the Autumn Term 2019 and everyone was very excited. The children are studying World War 2 in history this term and off-site experiences such as this helps the children to make connections with their learning and have fun at the same time. Please go to our website Blog next week for a look at a couple of photographs and short account of the day.

We will publish the curriculum maps for each class on our website in the next couple of weeks. If you have an expertise or resources which you think might help support the children's learning, please do not hesitate to contact your child's class teacher.

Our events diary for this term is now beginning to fill up and we have confirmed Harvest Festival, Parents' Evening, our Remembrance Service and even the Christmas Carol Service! Please note, due to Devon being an area of Enhanced Response and the P.H.E. messages, we have planned a Harvest Festival just for the children and staff. We will wait for further government advice, due at the end of September, before finalising arrangements for later events. Our goal is to keep everyone safe, the school open and children learning.

OUT OF HOURS

If your child has been in school and you or a member of your household has possible COVID -19 symptoms or test positive for Covid-19, please **contact the school** on **01884 253576** during school hours or text a message to **07513 299444** after hours and at the weekend. A member of staff will then contact you for further information as the school has a Public Health England procedure to follow.

Dear parents and carers,

We have had an unprecedented demand for our early community Flu vaccination clinics and these early clinics are now full. Most children and young people will be vaccinated in school as in other years and we will be visiting schools from now until January 2022. We will be arranging further community clinics for children who are clinically vulnerable or who have missed their immunisation in the school setting. As soon as we have more clinics available to book into we will send out further information to you, in the meantime please do not call into the Single Point of Access (SPA) to book a community clinic appointment.

Thank you for your understanding and we will be in contact with you again as soon as there is an update.

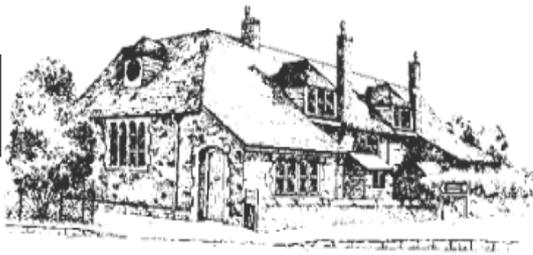

Best wishes
