ISSUE 831 22nd October 2021

Dear Parents and Carers,

3C and 3M led the whole school Harvest Assembly this morning. It is the first time in nearly two years that we have managed to celebrate this festival together and the children did a brilliant job in leading the service. I know that CHAT (Churches Housing Action Team) will be very grateful for your generous donations. We will post some photos on our website for you to look at after half term.

During Celebration Assembly I also presented a number of children with certificates for successfully taking part in the Wild World Heroes Summer Reading Challenge run by the Tiverton Library Service. Congratulations to Arthur Atkins, Holly Atkins, Poppy Alexander, Max Alexander, Ava Johnson, Olivia Johnson, Isobel Lesiter, Jacob Lessiter and Toby Alves. You certainly read a lot of books between you.

Thank you to everyone who returned their Young Voices forms so promptly. We are now in the process of making the necessary arrangements and will be able to finalise details after half term, subject to any further Covid -19 restrictions.

Finally this week, I would like to welcome Mr Coutts to the Governing Body as a new parent governor and Mrs Lyndsey Frank to the role of Chair of FOBS.

AUTUMN POEMS

Autumn is the round the corner

By Jack Snell Year 4 3M

Autumn is round the corner, leaves all different colours are falling from the trees, gold, brown and red leaves are flying in the gentle wind. Pumpkins are grown, blackberries are picked.

Juicy red apples ready to be eaten, smooth conkers dropped on the floor, big green pears waving on the branches, leaves fall down making a blanket on the ground acting as cushions so the pears don't get bruised.

Cosy Fires and comfy beds look out of the window Autumn is coming the trees shed golden leaves, the leaves drift off into the wind and they fly high like a bird until the morning when Autumn is outside.

Autumn is Here

By Thomas Head Year 4 3M

As summer draws its final breath to prepare its curtain call, and paints the trees upon the hill with its artists brush,

Catching gold, brown leaves on a hill, tiring but fun,

Prickly conkers falling from the trees, popping on the floor.

The northern wind breathes out it's chill as songs begin to hush.

Munchkins rescues and rehabilitates ponies that have suffered abuse, abandonment and neglect. The charity currently has 40 ponies in its care at its centre in East Devon and rehomes them within a 50-mile radius. Since launching in 2014, it has rehomed over 60 ponies. Its running costs are around £60,000 a year.
