On Wednesday morning, our Year 5 pupils welcomed Paul Stephens from PS Productions and took part in an online safety play and workshop. The pupils were supported in developing and understanding the skills and strategies they need to stay safe online. This was followed up by a talk from the Devon and Cornwall Fire Service about safety in the home and what to do in the event of a fire. Our Year 1 and 2 pupils also took part in a Key Stage 1 Fire Awareness Safety Presentation.

Wednesday afternoon saw us welcoming all of our new children and their parents to our 'stay and play' event whilst our older children had the opportunity to move classes and spend time with the teacher they will be with in September. We were delighted that Mrs Milne was also able to join us for this event. Mrs Milne will also be in school on **Monday 18<sup>th</sup> July from 3.45 - 4.45pm**. Please feel free to come into Class 3M and meet her and of course ask any questions you may have.

Yesterday, our Year 3&4 and Year 5 pupils represented the school at the Kwik Cricket Tournament held at Sampford Peverell Cricket Club. I am delighted to be able to tell you that our Year 3 & 4 team were the overall winners in their age group, winning all of the 5 matches played. Congratulations to Oliver, Max, Theo, Cohen, Jack, Harry, Alex and Arthur who were worthy winners. I would also like to thank Mr Dickinson and Mrs Withers for supporting the children throughout the day and also all of the parent volunteers' who helped with transporting the children to the event.

Finally, today, Bolham Primary School converted to the Ventrus Multi-Academy Trust. Hopefully you all had chance to read letters from the CEO of the Ventrus Academy, Mr Gary Chown and our Chair of Governors, Mr Stephen Moakes, marking this special event and I would like to thank all of those who have worked so hard over the past twelve months to make this happen. I shared the news with the children in our Celebration Assembly this morning and I know that both children and staff are looking forward to September and the opportunities that will be offered them.

## CLASS ONE NEWS

This week, Class One have been making and testing salads from root vegetables. We made potato salad and coleslaw.

Every child had some input in the making whether it was peeling, cutting, grating or mixing. We tested them today and for some it was something very new.
