ISSUE 859 8<sup>th</sup> July 2022

Dear Parents and Carers

This week, we welcomed our Year 3 and 4 parents into school for a PSHE meeting with Mrs Middleton and Miss Crang. Parents and carers were given the opportunity to view the materials being used in the Jigsaw, Changing Me unit of work and to ask questions. We apologise that this is not available to view on our website but as this is a published scheme we are subject to copyright regulations.

As the end of term approaches we will be saying 'goodbye and thank you' to a few members of staff. Mrs Rowe, our music teacher, is leaving us to take up a full-time position with the NHS, Mrs Beach has decided to retire after some 25 years as a teaching assistant and Mrs Tarr has also taken the decision not to return in September. We will be marking their departure in the usual way and if you would like to make any donations, please pop any offering into Ms Green in a marked envelope.

All children aged 4-12 years are invited to Tiverton Library or Tiverton Mobile Library from Saturday 9<sup>th</sup> July to take part in Gadgeteers Summer Reading Challenge. It is free to take part, and the Challenge runs until mid-September. Children read 6 library books of their choice through the holidays, collect stickers along the way, and get a medal and certificate when they finish.

Everyone who finishes the challenge this year will also get entered into a Tiverton prize draw to win one of these prizes: £50 voucher for Bridge Troll Hobbies, £50 One4All Gift Card, Crealy tickets, Liznojan Books voucher & goody bag, Elsie May vouchers, cinema tickets or an Annual family pass to Tiverton Museum. The first 50 finishers will also get a free swim at Exe Valley Leisure Centre.

This year's challenge, 'Gadgeteers', is all about science and innovation. Developed in partnership with the Science Museum Group, the challenge will inspire children to use their curiosity and creativity to discover the science behind the everyday, and celebrates the role of the imagination in both reading and the sciences.

Tiverton Library are running lots of fun hands-on activities through the Summer to support Gadgeteers, including science workshops, Crafts & Discovery Clubs, Lego clubs, trails and drop ins.
