ISSUE 863 16th September 2022

Dear Parents and Carers,

Welcome to this week's Bullet! Thankfully the weather has been kinder to us this week, just in time for our clubs to start after school. It was lovely to see so many pupils taking part in football club, and tonight we have 8 tag rugby players signed up with Premier Sport - enough for a team!

I would like to say a special congratulations to Isobel in Class 4 who played cricket for Heathcoat and made it through to the County Final. We wish her good luck in the last game of the season!

Thank you very much to our parents who are taking the trouble to park considerately outside of school. Not only does this help to keep our children safe, but it also ensures that our neighbours are able to access their driveways as they leave and return to their homes.

Please can I ask for your support with encouraging healthy snacks throughout the week - we have spoken about this in assembly today alongside the need to keep trading cards at home please.

Finally, just a reminder that the school will be closed on Monday as we pay our respects to the late Queen Elizabeth II. I hope that this day gives us all the opportunity in our busy lives to share some reflective time amongst our families and appreciate this huge day in our country's history. I look forward to seeing you all next Tuesday.

Mrs Sarah Milne
Headteacher

MOBILE PHONES

Please can we ask that you do not use your mobile phone on the school grounds. Thank you.

SCHOOL LUNCH - PUDDING TUES 20TH SEPTEMBER

Please note that the pudding on Tuesday 20th September will be pineapple cake, not mandarin jelly - for this week only. It will revert back to mandarin jelly on the next week 3 of the menu.

MATHS 99 CLUB

Children are continuing to take part in Bolham's maths challenge, the 99 club. Each Wednesday, children will attempt to work towards earning a club badge by correctly answering all the number fact questions for that club in 5 minutes or under. They will repeat the challenge each week until they have answered all the questions correctly over two consecutive weeks. For example, a child aiming for the 33 Club will need to answer all 33 questions correctly over two consecutive weeks, a child aiming for the 66 Club will need to answer all 66 questions correctly over two consecutive weeks and so on. Once they have successfully earned their club badge for that level they will then move up and attempt the next club.

Congratulations to those children who achieved the following badges this week:

44 Club	144 Club
Felix Pickering	Henry Bell
Jacob Davis

CLASS ONE NEWS

Class One have completed their first full week in school, Mrs Worthington and Miss Cotter are very proud of them all for how they have coped with it.

We have been taking time to learn routines, rules and expectations. We have tried new hot lunches, taken part in another PE session with Mr Hodge, working hard in our classroom and gradually meeting all members of staff.
