ISSUE 890 5th May 2023

Good afternoon,

Firstly, I think it is fair to say that the KS2 children who attended the residential trip to Barton Hall have had a fantastic time learning new skills and trying a range of different activities. For many, it will have been the first time that they have had to experience the feeling of testing themselves and pushing through the feeling of nerves. Staff have reported that the behaviour of the children has been excellent and that they have been very proud of all of them! Well done everyone and thank you to the staff who have given up their time - we would not be able to run such trips without the goodwill of our amazing team!

As we reach the end of another action-packed week, our attention has focussed on the King's Coronation. Thank you very much to FOBs who have provided all of the children with a souvenir badge to mark the occasion. Our celebrations are slightly scaled back due to so many children being away on residential, but I hope that you enjoy the photos of years R, 1 and 2 and their helpers, celebrating with a tea party.

Whilst our younger friends are in the warm enjoying cakes and fun, Mr Vickery and Mrs Milne will be putting the Year 6s through their paces with another Exmoor Challenge practice walk. Regardless of how the teams 'perform' in the final event, we are very proud of their efforts so far with all of them demonstrating great leadership skills, fitness and resilience when pushed out of their comfort zones!

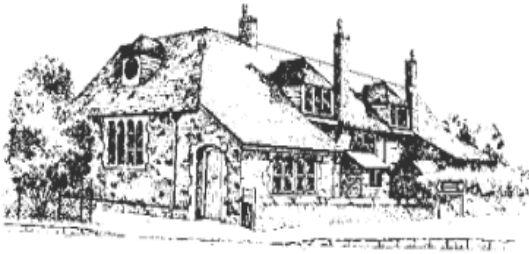

Next week will be a quiet week due to the Y6 SATs tests which have to be administered under exam conditions. Please can I ask that all Year 6s are in school no later than 8.45am or at 8.30am if they would like breakfast.

Finally, I hope that you enjoy a lovely long weekend and soak up some of the Coronation atmosphere wherever you are.

Mrs Sarah Milne
Headteacher
