ISSUE 916 19th January 2024

Good afternoon,

We have had a quiet week at school this week but filled with plenty of hard work as we carried out our spring term assessments. The children have all tried their absolute best and should be very proud of themselves.

Please can I use this opportunity to remind all families of the importance of good attendance. Thank you to those parents who are providing medical appointment letters as proof of absence. Children who are registered after 9.10am are also marked as an unauthorised absence. Arriving in time for the register is really important as not only is that when we gather lunch information, but teachers also have early morning learning activities planned. Thank you in advance for supporting your child with being punctual.

I look forward to seeing as many Y5/6 parents as possible next Tuesday for the London trip meeting. A PowerPoint will be available if you are unable to make it. So that you can begin to make plans for transport, we will all be meeting at **Tiverton Parkway Station at 7.30am** on 31.1.24 and returning to the station at 5pm on 2.2.24.

Have a lovely weekend,

Mrs Sarah Milne
Headteacher

BOLHAM BEES AFTER SCHOOL CLUB

This week in after school club we made some hanging bird feeders out of suet and seeds to put up around school to feed the birds. We also celebrated Winnie the Pooh Day by making our own Winnie's and by trying different honey and deciding which we preferred - the result was 7 votes for set honey and 4 votes for clear honey.

Parent/Carer Autism Online Workshops

Whether your child is awaiting a diagnosis or has already been diagnosed, these workshops are a great opportunity to learn more about Autism & ask questions within a supportive group of other parents & carers.

- **Monday 5th February - An introduction to Autism**
An opportunity to explore what Autism is, the many strengths and the differences that make each child so wonderfully unique.
- **Monday 12th February - Communication**
Identifying what communication is and the different communication methods that may be helpful for Autistic children.
- **Monday 19th February - Sensory Processing**
Explaining the 8 sensory systems, how the environment can impact on a child with sensory processing differences/challenges and strategies to meet an individual's sensory needs.
- **Monday 26th February - Pathological Demand Avoidance**
A look into the interesting subject of PDA, how this may present and what is the best approach to take to avoid conflict.

Workshops will be held 7:30-8:30pm via Zoom.

£25 per workshop for each family.
